

2024-2025 Annual Notifications

Title I, Part A - Annual Notification

Title I, Part A is a federal program that provides financial support to schools to help disadvantaged and low-performing students so that all children meet challenging state academic standards. Waterville follows the Schoolwide process giving our funded schools flexibility to serve all students who demonstrate a need for support.

Parent Involvement

We know that family involvement in a child's education is a greater predictor of academic success than whether or not that family is affluent or poor. It is also evident that students whose families take an active interest in their school life are more likely to attend school regularly, pass their classes, enroll in higher-level programs, and go on to higher education or a technical career.

School-Parent Compact

The Compact is an annual agreement between the parent, student, and school regarding the joint responsibilities in helping each student find success. These documents are completed each Fall during Parent Conferences.

District Parent involvement Policy

This policy guides how our district will involve parents in the education of their students. This policy is reviewed each year and updated as needed. If you would like to provide input into the revision of this policy, please contact the school and/or be watching for information about a way to get involved. For more information, please visit <https://www.watervilleschool.org/>.

Student Academic Achievement Reports

Each year, a school that receives Title I, Part A funds must provide parents with an individual student report informing them on their child's level of academic achievement on the State's assessment in at least reading, language arts, and math.

District and School Report Card - How are we doing?

The District and School Report Card provides the following information on public schools and districts in Washington state: student achievement, student demographics, and staff information. For more information, please visit: [Washington School Report Card](#).

Parent Right To Know - Highly Qualified Staff

Parents of children in schools that receive Title I, Part A funding have the right to request and receive information about the professional qualifications of teachers and instructional paraprofessionals in their building.
