For questions please contact the Washington State Department of Health: k12engagement@doh.wa.gov

Waterville School District has valuable resources to assist with social and emotional health of our students.

Student Assistance Specialist:

Jill Moomaw acts as the Student Assistance Specialist relative to the Project SUCCESS program. The SAS primarily works with adolescents individually and in small groups; conduct large group prevention/education discussions and programs, train and consult on prevention issues with school staff; coordinate the substance abuse services and policies of the school and refer and follow-up with students and families needing substance abuse treatment or mental health services in the community.

The B.A.D.D. Club stands for Breaking Addictive and Destructive Decisions:

This club is Waterville's Prevention Club whose mission statement is: The B.A.D.D. promotes prosocial activities that break the cycle of Addictive and Destructive Decisions. Our goal is to provide fun and engaging events and activities that students can be involved in as an alternative to using substances. The B.A.D.D. club is supported by the Waterville Community Coalition and puts on community events as well. This is an active and thriving club that welcomes all high school students to join and participate in our events. Please contact Jill Moomaw, Counselor, at 509-745-8585 for more information.
